

ImGui::CalcItemSize

```
graph LR; A[ImGui::CalcItemSize] --> B[ImGui::GetContentRegionMaxAbs]; A --> C[ImMax];
```

A diagram illustrating function calls. A gray box labeled 'ImGui::CalcItemSize' has two blue arrows pointing to white boxes. The top arrow points to 'ImGui::GetContentRegionMaxAbs', and the bottom arrow points to 'ImMax'.

ImGui::GetContentRegionMaxAbs

ImMax
