

Scene::~~Scene

Scene::Save

TLxml::Save

```
graph LR; A[Scene::~~Scene] --> B[Scene::Save]; B --> C[TLxml::Save];
```

The diagram illustrates a sequence of three operations in a flowchart. The first operation, 'Scene::~~Scene', is contained in a white rectangular box with a black border. A dark blue arrow points from this box to the second operation, 'Scene::Save', which is also in a white rectangular box with a black border. Another dark blue arrow points from the second box to the third operation, 'TLxml::Save', which is contained in a gray rectangular box with a black border. The boxes are arranged horizontally from left to right.
